

1 Camden Gardens TURRAMURRA NSW

4  2  2 

Located in a convenient and quiet part of North Turrumurra this contemporary home is situated on the high side of an attractive cul-de-sac.

The house nestles into a leafy bush block of approximately 923 sqm and has an ideal aspect, facing north. Large windows have been placed to take advantage of the view.

This spacious home features a versatile floor plan and excellent flow to the covered outdoor entertaining areas. Offering four bedrooms and two bathrooms (one with spa bath), this property offers a great opportunity to acquire a house of this size and position in an affordable price range.

Covered parking for 2 cars providing direct access to the house and a workshop/ storage area add to the appeal, as do the reverse-cycle air-conditioning and polished

Land Size : 923 sqm
