

14 Pembroke Avenue TURRAMURRA NSW

4 2 2

Nestled high above the road with an attractive bush outlook, this four bedroom, two bathroom (main ensuite & b.i.r.) home is offered for sale by the original owner, who has enjoyed living here since c1978.

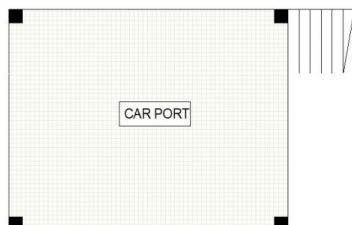

The owner has maintained the house well, and has recently added a roof to the generous deck, enabling it to be used whatever the weather. The home provides an opportunity for someone who wishes to purchase something to move straight into, while still providing potential for further development.

With a tri-level floorplan, the design of the house works well. Both the formal lounge and casual family area open to the deck, which is ideal for everyday living as well as for entertaining.
